World Health Summit Regional Meeting

April 25-27 2025, New Delhi, India

The **World Health Summit (WHS)** is an international conference that is held in Berlin, Germany every October since 2009. It has developed into a premier international platform for global health, convening stakeholders from politics, science, private sector, and civil society. The WHS aims to inspire innovative solutions for better health and well-being, strengthen collaboration and open dialogue, and promote global health as a key political issue, guided by the UN SDGs.

The **World Health Summit 2024** took place from October 13-15 under the theme “Building Trust for a Healthier World”. The summit featured 67 sessions, drew participants from 140 countries, included 380 speakers, and engaged over 3,500 attendees on-site, along with more than 21,000 participants online.

In addition to the WHS, a WHS Regional Meeting is held every year in different parts of the world by the WHS Academic Alliance. The Regional Meetings serve to spotlight pertinent local and regional health issues, fostering dialogue and collaboration among key stakeholders for impactful solutions.

Theme: Scaling Access to Ensure Health Equity

Addressing global and regional health challenges by fostering dialogue and collaboration to scale quality healthcare and promote health equity through innovative strategies, particularly in limited resource settings.

Strategic Priorities: South-South Cooperation and Youth Engagement

Summit Engagements

- ◆ Become a sponsor
- ◆ Curate panel discussions, workshops and side meetings
- ◆ Be an exhibitor
- ◆ Network with industry experts and organizations
- ◆ Garner global brand recognition
- ◆ Stay at the forefront of global health and regional priorities

The **WHS Regional Meeting 2025** will be held in India and will convene experts and leaders to work together towards building a healthier future for the region by addressing its most pressing challenges and promoting global health progress.

Key Focus Areas

- **Digital Health and AI Futures** : Digital health, AI, Digital Public Infrastructure, and emerging technologies are transforming healthcare and advancing health equity. These innovations are becoming central to our daily lives and shaping the future of healthcare delivery.
- **Future of Health** : Evolving health challenges are highlighting emerging areas such as space technologies, maritime health, and border health, driving the need for innovative approaches in policy, governance, and research.
- **Health Diplomacy and Cooperation** : In the face of growing uncertainties in global health governance, health diplomacy is vital for safeguarding interests like security, trade, and climate, emphasizing the role of diverse actors in shaping health outcomes.
- **Climate Change and Planetary Health** : As climate change poses significant health risks, Planetary Health demands integrated solutions to balance human health and environmental sustainability, focusing on policies and global actions to address climate-related health risks.
- **Innovation and Leadership** : Healthcare's evolution with digital health, AI, and biotechnology demands inclusive leadership and innovation, enabling ecosystems and prioritizing equity, youth, gender inclusivity, and prevention to drive impactful change.
- **Health and Peace** : Health and peace are deeply interconnected, with healthcare playing a crucial role in rebuilding communities, fostering dialogue, and promoting collaboration. It is essential to recognize healthcare's impact on advancing peace, equity, and the protection of workers and infrastructure.
- **Communication and Healthcare** : Effective, evidence-based communication is vital for informed policy-making and addressing healthcare infodemics. A global, collaborative approach is needed to create context-specific frameworks and resources to ensure they are people-centric, participatory, and accessible.
- **Women and Children Health**: To address preventable deaths and improve health outcomes, there is an urgent need for gender-sensitive, resilient health systems and sustainable investments in life-saving interventions for women and children.

Expected Outcomes

Enhanced Global South cooperation in health by advancing focused recommendations to existing global & regional forums, collaboratives and networks on key issues including health security, digital health, and climate change

Recognition of regional best practices with global impact to enable access to shared resources for collective prosperity and advance resilient, inclusive, and trusted health governance systems globally

Impactful public-private partnerships for improved access to healthcare and achieve health equity

Representation

- Country Governments
- UN Bodies
- International Organizations
- Think Tanks
- Academicians
- Industry
- Civil Societies

GUIDELINES FOR EXHIBITION

INTRODUCTION

Welcome to the World Health Summit Regional Meeting 2025. With the theme of “**Scaling Access to Ensure Health Equity**”, this event offers you an opportunity to display your work in advancing health equity, innovations, and best practices that have created an impactful change. The exhibit will be a vibrant platform to highlight transformative initiatives, ground breaking research, and cutting-edge products and services contributing to a healthier, more equitable future.

To facilitate your preparation for the exhibition at the global platform of the WHS Regional Meeting, we have prepared the following exhibitor guidelines to streamline your arrangements. We request that you go through the guidelines very carefully and note the deadlines. Please submit your Exhibitor Application Form duly filled out before the deadline to enable us to fulfil your requirements. We hope you maximize your impact at this prestigious event and ensure a seamless and enriching experience for both exhibitors and attendees.

EXHIBITION RULES AND REGULATIONS

- Eligibility:** To be eligible for exhibit space, you must first submit the [Exhibitor Application Form](#) along with the deposit. Start-ups, NGOs, academic institutions, private companies, government agencies, and international bodies with initiatives addressing health equity, innovation, or best practices can apply for space. Exhibits may focus on digital health solutions, AI-driven healthcare, innovative medical devices, community healthcare models, policy interventions, or other impactful initiatives showcasing excellence and equity in healthcare delivery. Once the application is accepted, the organizers will confirm and assign the exhibit space to the exhibitor. The organizers reserve the right to reject any application if the proposed idea does not fit the event's theme. In such cases, the full deposit amount will be refunded to the applicant.
- Exhibition:** The **World Health Summit Regional Meeting 2025** will take place at Bharat Mandapam, New Delhi, from **April 25th to April 27th, 2025**.
- Exhibition Charges:** For a **3 x 3 Meters Stall** - INR 300,000 plus GST @ 18% / as applicable
- Exhibition Offices:** The World Health Summit Regional Meeting 2025 Exhibition Director and the Official Contractors will staff onsite offices or desks during the move-in, exhibition days, and move-out periods. They will be available to answer questions, handle issues, and assist all Exhibitors. Any onsite issue affecting Exhibitors or contractors should be referred to the Exhibition Manager or WHS Team immediately.
- Exhibition Facility Provider:** World Health Summit (WHS) Team

Contact Person	Email	Phone Number
Dr. Deepak Nathiya	dnathiya@nimsuniversity.org	+91 99296 00137
Dr. Sanjay Pattanshetty	sanjay.pattanshetty@nimsuniversity.org	+91 99643 81100

6. **Venue:** The exhibition will be held at **Multi Purpose Hall at Third Floor of Bharat Mandapam, ITPO**, a convention center located in New Delhi, India. For more details, please visit www.whsnewdelhi2025.com

7. **Dates and Exhibition Hours:**

Activity	Date	Time
Move-in	24 April 2025 (Thursday)	9:00 am – 6:00 pm
Exhibit Hours	25 April 2025 (Friday)	10:00 am – 5:00 pm
	26 April 2025 (Saturday)	10:00 am – 5:00 pm
	27 April 2025 (Sunday)	10:00 am – 12:00 pm
Move-out	27 April 2025 (Sunday)	12:00 pm – 6:00 pm

Note:

- **Subjected to Change**
- All exhibitors must adhere to the exhibit schedule. In the event the exhibitor fails to do so, they shall be deemed to have cancelled their booth space booking, and the organiser shall be entitled to reallocate such booth space.
- The booths must be staffed at all times. The organizers are not responsible for any loss or damage to exhibits or booth materials left behind. Any such materials will be considered abandoned and disposed of at the exhibitor's expense.

8. **Booth Cleaning:**

During the Exhibition period, the Organizing Team will provide **cleaning of aisles and public spaces only**.

Cleaning of Exhibits is the responsibility of the Exhibitor.

Removal and Disposal of Construction Debris/Waste: During the move-in and move-out periods, material will be removed that can be broom swept. Any other material deemed as “bulk trash” and the removal of any/all such bulk trash, construction debris, and waste are the responsibility of the exhibitor and/or their contractors.

9. **Insurance General:**

Exhibitors should be aware that neither the Organizer, Bharat Mandapam, WHS Team, the security contractor, nor any of their agents, officers, or employees assumes any responsibility for the Exhibitor's property. Therefore, each Exhibitor should have an insurance policy covering their property and shipment during the exhibition move-in, exhibition, and move-out periods.

The Organizer will not bear any liability for personal injuries, whether suffered by an Exhibitor, their employees, contractors, or business invitees. Nor will they be liable for any loss or damage to the property of an Exhibitor due to fire, robbery, accident, or damage caused by the Exhibitor's team. The Exhibitor will be liable for all such damage and/or claims.

10. **Loss or Damage of Property:** Safety and security are top priorities at Bharat Mandapam. A 24-hour Security Team will be stationed near the Exhibition Hall gate to assist with theft or lost-and-found inquiries. Exhibitors must ensure their valuables, materials, and equipment are securely stored at all times.

NOTE: THE ORGANIZER, VENUE, AND WHS TEAM WILL NOT BE HELD RESPONSIBLE OR LIABLE FOR ANY LOST OR DAMAGED ITEMS.

11. Security: Bharat Mandapam has security and will be responsible for the building and campus. The Organizer has contracted for additional security services. Exhibitors must carry their own insurance coverage and pack all items securely at their booths. The Organizer will not accept responsibility for theft, loss, or damage of exhibits, collateral materials, or equipment. For additional security, contact the Exhibition Secretariat.

12. Smoking: Smoking is strictly prohibited at the venue (ITPO).

13. Storage and Removal of Waste Materials: The Organizer does not provide in-hall storage facilities for packing materials or surplus stock. Fire Authority regulations prohibit storing excess items behind booths. Exhibitors must ensure their waste and construction debris are promptly removed daily and at the end of the event.

14. Cancellation Policy:

Exhibit space may be cancelled via a written notice to event organizers. In the event of such a cancellation, the following are the refund conditions:

Before **5 April 2025** – 50% of the deposit

After **5 April but Before 10 April 2025** – 25% of the deposit

On and after **10 April 2025** – No refund

15. Assignment of Space:

The organizers assign booths, giving priority to session and event partners and then by the date of booking with payment. Booth assignments will only be finalized and communicated to exhibitors upon receipt of full payment.

Due to unforeseen circumstances, either before the event or onsite, an exhibitor's assigned location may need to be adjusted after confirmation. The event organizers strive to accommodate the exhibitor and will provide written notice of any changes.

16. Exhibit Space and Decor:

The booth size is **9 sqm (3m x 3m)** and is shaped in cubicles of a pre-fabricated system (Octanorm) made of aluminium hardware profiles and laminated ply partitions. Details regarding the standard arrangements will be provided and shared with exhibitors once confirmed.

Display materials should be arranged so as not to obstruct the sight lines of neighbouring exhibitors. The exhibitor is not allowed to build up their exhibits in a manner that obstructs light, impedes the view, or causes inconvenience to other exhibitors. Exhibitors must maintain cleanliness of their booth space and surrounding common areas.

17. Application Process:

Deadline: Submit your Exhibitor Application Form by **30 March 2025**.

Required Documentation:

Completed Exhibitor Application Form

Detailed exhibit proposal (500-word maximum)

Supporting materials such as visuals, brochures, videos, and related documentation

Exhibitor Application Form: <https://forms.gle/AGC9EC6egdjKstTj7>

Selection Process: Successful applicants will be notified by **2 April 2025**.

18. Insurance: The exhibitor must understand that neither the organizers nor the venue parties maintain insurance covering the exhibitor's property.

19. Best Practices for Exhibitors:

Use high-quality visuals, interactive elements, and multimedia displays to captivate attendees.
Provide brochures, handouts, and digital resources to support your exhibit's narrative.
Incorporate QR codes for eco-friendly access to materials and reduce paper waste.
Schedule live demonstrations, presentations, or Q&A sessions to actively engage visitors.
Showcase real-world examples of impactful projects and initiatives.
Offer hands-on experiences such as live demonstrations or interactive simulations.

20. Sustainability Guidelines:

Opt for eco-friendly, reusable materials in exhibit construction and displays.
Avoid single-use plastics and prioritize environmentally sustainable practices.
Ensure responsible energy use and proper waste disposal at the venue.

21. Health and Safety Protocols:

Adhere to safety standards for all technical and electrical installations.
Maintain clear pathways to avoid overcrowding and ensure easy movement for visitors.
Avoid the use of flammable or hazardous materials in your exhibits. Examples of prohibited items include:
Open flames such as candles or gas burners.
Combustible materials such as untreated fabrics, paper, or wood.
Chemicals or substances that are highly flammable or reactive.
Use only approved materials for booth construction and decoration, including flame-retardant fabrics and certified electrical equipment.
Ensure your booth is equipped with proper safety features, such as fire extinguishers, and staff are familiar with emergency protocol.
